**PETITION FOR RECONSIDERATION**

I, Jennifer Potora am requesting a reconsideration of the above matter and of Order dated April 30, 2025. As I never had a hearing with a Judge to show my charges I dispute and due to my health issues and other concerns and issues I have with UGI. I request that this case be reopened to allow me to express my concerns with an actual Judge and going over what matters I dispute.

Respectfully Submitted:
