PETITION TO INTERVENE

Pursuant to 52 Pa. Code §§ 5.71, 5.72 and 5.74, the Elizabeth Borough Municipal Authority (“EBMA” or “Authority”), by and through its attorneys, Dodaro, Dalfonso, Matta and Cambest, P.C., hereby files with the Pennsylvania Public Utility Commission (the “Commission”) this Petition to Intervene in the above-captioned Application of Pennsylvania-American Water Company (“PAWC”) for approval to acquire the wastewater collection and treatment system of EBMA. The Application directly affects the interests of EBMA, which are not adequately represented by an existing party. For the reasons that follow, EBMA respectfully requests that the Commission grant its Petition to Intervene, and in support thereof avers as follows:

1. EBMA is a municipal authority incorporated by the Borough of Elizabeth (“Borough”), pursuant to the Municipality Authorities Act to serve the Borough through its sewage conveyance system and treatment facility.

2. While EBMA was incorporated to provide sewage conveyance and treatment services to residents of the Borough, it also provides treatment services to the municipalities of Elizabeth Township, Forward Township and Lincoln Borough.

3. EBMA's operating address is 1 Locust Street, Elizabeth, PA 15037.
4. EBMA owns and operates a combined wastewater collection and treatment system that includes a wastewater treatment plant, collection mains, pumping station, interceptor sewers, Combined Sewer Overflow structures, manholes and stormwater inlets ("System").
5. EBMA is interested in the above-captioned matter because it is a party to the Asset Purchase Agreement ("APA") under which PAWC seeks approval to acquire the System.
6. EBMA supports the Application filed by PAWC at this docket.
7. 52 Pa. Code § 5.72 sets forth the eligibility requirements for a party to intervene and provides in part as follows:

(a) Persons. A petition to intervene may be filed by a person claiming a right to intervene or an interest of such nature that intervention is necessary or appropriate to the administration of the statute under which the proceeding is brought. The right or interest may be one of the following:

- (1) A right conferred by statute of the United States or of the Commonwealth.
 - (2) An interest which may be directly affected and which is not adequately represented by existing participants, and as to which the petitioner may be bound by the action of the Commission in the proceeding.
 - (3) Another interest of such nature that participation of the petitioner may be in the public interest.
8. EBMA seeks intervention in the proceeding for due cause shown for the following reasons:
 - (1) EBMA is a party to the APA whereby PAWC agreed to purchase EBMA's wastewater collection and treatment system, which provides sanitary wastewater collection and treatment services to the Borough of Elizabeth.
 - (2) PAWC relies on the Authority's consent of the sale of the wastewater collection and treatment system.

9. EBMA has a substantial and bona fide interest in the subject matter of this docket and its interests cannot be represented or protected adequately by other existing parties to this docket.

10. As a party to the APA, EBMA submits that its intervention is in the public interest.

11. EBMA intends to play an active role in the Commission's decision-making process and its participation herein will not unduly prejudice any party.

WHEREFORE, the Elizabeth Borough Municipal Authority respectfully requests that this Commission grant its instant Petition to Intervene in this proceeding.

Respectfully Submitted,

/s/ Joseph R. Dalfonso
