Re: Jennifer Patora, Complainant
v.
UGI Utilities, Inc., Respondent
Docket No. C-2024-3050151

On April 30, 2025, the Commission entered an Opinion and Order in the above-referenced matter. The parties were served the Opinion and Order on April 30, 2025.

On May 15, 2025, Complainant filed a document titled Petition for Reconsideration in which she requested the Commission reconsider its April 30, 2025 Opinion and Order.

Review of the Complainant's filing indicated the Complainant had not served the Respondent with her filing which is required under 52 Pa. Code § 1.54. Therefore, enclosed is a copy of the Complainant's Petition for Reconsideration which will constitute service for purposes of 52 Pa. Code § 1.54. The Respondent is now provided with 20 days from the date of this letter to file a response to the petition. Both the Complainant's Petition for Reconsideration and this Secretarial Letter will be placed upon the record at the above docket number.

Finally, in order to ensure due process, the Complainant is directed that when filing a document to this case in the future, she must at the same time send a copy of the document to the Respondent's counsel and indicate she has done so by including a Certificate of Service with the filing. 52 Pa. Code §§ 1.54, 1.57, 1.58.

Sincerely,

Matthew L. Homsher
Secretary
