Re: Jennifer Potora, Complainant
v.
UGI Utilities, Inc., Respondent
Docket No. C-2024-3050151

On April 30, 2025, the Commission entered an Opinion and Order in the above-referenced matter. The parties were served the Opinion and Order on April 30, 2025.

On May 15, 2025, Complainant filed a document titled Petition for Reconsideration in which she requested the Commission reconsider its April 30, 2025 Opinion and Order.

On May 16, 2025, it came to my attention that that Complainant had failed to serve her Petition upon the Respondent. Consequently, on May 16, 2025, a Secretarial Letter, which included the Complainant's Petition, was served on the parties to correct the service deficiency.

Subsequent to sending the May 16, 2025 letter, I realized it contained a typographical error. The May 16, 2025 letter indicated that Respondent would have 20 days to file a response to the Petition. However, pursuant to 52 Pa. Code § 5.572, Respondent only has 10 days to file a response. Because this was an administrative error, Respondent will have 10 days from the date of this letter, or until May 29, 2025, to file a response, if any, to Complainant's Petition for Reconsideration.

I apologize for any confusion this may have caused.

Sincerely,

Matthew L. Homsher
Secretary
