Re: Application of Kelvin D Ferguson & Sons LLC for Household Good in Use
authority, 100 Hafner Avenue, Pittsburgh, Allegheny County, Pennsylvania
15223. (412) 403-3173

To whom it may concern:

The purpose of this Letter is to advise you that your application for Paratransit authority at Docket No. A-2025-3055257 & A-2025-3055259 has been **DENIED** by the Pennsylvania Public Utility Commission (Commission). The Commission has determined that a Certificate of Public Convenience shall not be granted for the following reason(s):

- **Failure to establish fitness to operate.** Under 52 Pa. Code §41.14(4) The Commission is to determine whether an applicant possesses the technical and financial ability to provide the proposed service. On May 20, 2025, the applicant filed applications for Household Goods in Use and Property authority. In 2023, the Commission granted the applicant a Certificate of Public Convenience to operate as a household goods carrier, but did so with reservations that the technical experience that the applicant gained was through their time operating/working for an uncertificated carrier. Upon being granted authority to operate, the carrier has failed to achieve a satisfactory safety fitness review demonstrating at least a minimal compliance with the Commission's motor carrier safety regulations. In addition to that, the information provided in this application failed to provide acceptable policies for criminal background checks and driver license/history checks that complied with the regulations found at Title 52 Pa Code §31.134, 37.204, and 49 CFR §391.25. Given the Commission's previous reservations, the inability to obtain satisfactory safety fitness reviews, and the failure to provide compliant policies/plans for the hiring/employment of drivers for their vehicles, it has been determined that the applicant lacks the requisite technical fitness to provide safe, efficient, and reliable transportation.

For this reason(s), your application is **DENIED** and **DISMISSED**.
