Pennsylvania Public Utility
Commission

v.

Citizens' Electric Company of
Lewisburg, PA

Docket Number:
R-2025-3054394

ORDER

BY THE COMMISSION:

On April 30, 2025, Citizens' Electric Company of Lewisburg, PA (Citizens' Electric), Utility Code 110050, filed proposed Supplement No. 172 to Tariff Electric Pa. P.U.C. No. 14, containing proposed changes in rates, rules, and regulations calculated to produce \$1.79 million (11%) in additional annual revenues, an increase in residential customer's bills using 1,250 kWh/month from \$163.89 to \$181.51/month (11%), to become effective June 29, 2025.

On May 12, 2025 and May 14, 2025, the Office of Consumer Advocate and the Office of Small Business Advocate, respectively, filed Formal Complaints.

Citizens' Electric stated that the requested increase in its base rates is necessary to: systematically replace its aging distribution infrastructure and underground cable, increase conductor size to provide operating flexibility and reliability, relocate lines for reliability improvement, complete small line extensions, meet the increases in operational expenses and components driven by inflation, and earn a fair and reasonable return on its investments.

Pursuant to 66 Pa. C.S. §1308(d), the filing will be suspended by operation of law until January 29, 2026, unless permitted by Commission Order to become effective at an earlier date.

Investigation and analysis of this proposed tariff filing and the supporting data indicate that the proposed changes in rates, rules, and regulations may be unlawful, unjust, unreasonable, and contrary to the public interest. It also appears that consideration should be given to the reasonableness of Citizens' Electric's existing rates, rules, and regulations; **THEREFORE,**

IT IS ORDERED:

1. That an investigation on Commission motion be, and hereby is, instituted to determine the lawfulness, justness, and reasonableness of the rates, rules, and regulations contained in the proposed Supplement No. 172 to Tariff Electric Pa. P.U.C. No. 14.

2. That the proposed Supplement No. 172 to Tariff Electric Pa. P.U.C. No. 14 is suspended by operation of law until January 29, 2026, unless otherwise directed by Order of the Commission.

3. That pursuant to 52 Pa. Code §53.71 tariff supplements shall be filed with the Commission and posted at the company to announce that the aforementioned Original

Tariff is suspended until the date stated in the Commission Order. Attached is a sample copy of a suspension supplement which shall be filed in triplicate or, if applicable, e-filed with the Commission within 10 days following the Order entry date.

4. That this investigation shall include consideration of the lawfulness, justness, and reasonableness of the Citizens' Electric Company of Lewisburg, PA's existing rates, rules, and regulations.

5. That the case be assigned to the Office of Administrative Law Judge for the prompt scheduling of such hearings as may be necessary culminating in the issuance of a Recommended Decision.

6. That a copy of this Order shall be served upon Citizens' Electric Company of Lewisburg, PA, the Bureau of Investigation and Enforcement, the Office of Consumer Advocate, the Office of Small Business Advocate, and any persons who have filed Formal Complaints against the proposed tariff supplement.

Matthew L. Homsher
Secretary
