Territory included but not limited to:

- **Allegheny County**
- **Centre County**
- **Huntington County**
- **Bedford County**
- **Cambria County**

Question # 2 of the Verified Statement.

Amgad Saeed is the only owner and **DOES NOT** have any other affiliations with any other motor carrier companies with the description of connections to include.

Question # 4 of the Verified Statement.

- A) Please include the plan on how you plan to secure customers' sensitive physical documents.

When we're dealing with important papers from our customers, we take their privacy seriously. Our plan is simple:

- **Keep Them Locked Up:** Any physical documents that contain sensitive information will be stored in secure, locked cabinets or rooms. Only authorized people at M&J Well, LLC will have access to these areas.
- **Handle With Care:** When we need to work with these documents, we'll make sure they're always being watched and are not left out in the open where anyone could see them.
- **Shred It When Done:** Once we no longer need to keep a physical document, or if it's no longer required by law, we'll destroy it properly. This means using a good quality shredder that turns the paper into tiny, unreadable pieces. We won't just toss it in the trash. This way, the information is completely gone and can't fall into the wrong hands.

- B) Please respond with a clear description of where your vehicle will be parked in relation to the physical address.

When our team is working around the company's main office, you'll typically find our vehicles parked within a block or two of the physical address. Think of it like being in the immediate neighborhood. We'll aim to park in designated parking spots, either right near the office building or on the nearby streets. This keeps our vehicles close by for easy access when we need them for work.

Question #5 of the Verified Statements:

- A. § 29.504. Driver History. How often will a driver license check be done?

Okay, so this rule is about making sure our drivers have clean driving records. Our plan is straightforward:

We'll check every driver's license at least once a year. This means we'll pull their driving history to make sure they haven't had any serious violations or lost their license. We'll do this regularly, so we always have up-to-date information on who's behind the wheel for M&J Well, LLC.

B. § 29.505. Criminal history. How often will a record check be done and what are the disqualifications of employment?

This one's about making sure our employees haven't had serious legal trouble in the past. Here's our plan:

- **We'll do a criminal record check before we hire anyone who will be driving for M&J Well, LLC. This is a one-time check before they start working for us.**
- **What would stop someone from being hired to drive for us? The rules say there are certain things that would disqualify someone. These include serious crimes that show they might not be trustworthy or might put others at risk. Things like:**
 - **Major violent crimes.**
 - **Felony convictions involving theft, fraud, or drugs.**
 - **Any offense that would make it unsafe for them to be responsible for vehicles or potentially handle sensitive information.**

We'll follow the specific guidelines in the law to make sure we're not hiring anyone with a criminal history that would make them unsuitable to drive for M&J Well, LLC. Our main goal here is to keep everyone safe and make sure our team is reliable.
