**RE: Phase IV Energy Efficiency and Conservation Surcharge  
Effective June 1, 2025  
M-2025-3054935**

Dear Mr. Brechlin:

The Bureau of Audits has reviewed Duquesne Light Company's proposed Supplement No. 93 to Tariff Electric- Pa. P.U.C. No. 25 and the supporting rate computations submitted on May 1, 2025 to become effective on June 1, 2025.

Based upon staff review, it appears that the proposed Phase IV Energy Efficiency and Conservation Surcharge (EE&C) rates for the twelve-month period of June 1, 2025 to May 31, 2026 are consistent with the tariff and, accordingly, are permitted to become effective as filed.

The EE&C is subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Pursuant to the Commission's regulations at 52 Pa. Code § 5.44 (relating to petitions for reconsideration from actions of the staff), you may appeal by filing a petition for reconsideration with the Commission within 20 days of the date of this letter. Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2025-3054935.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'. The signature is written in a cursive, flowing style.

Matthew L. Homsher  
Secretary
