### TUS Data Request Set 3

Application of the City of DuBois for approval of the right to abandon water service to the public outside of its corporate limits at Docket No. A-2024-3052728

Note: Please restate the data request prior to providing a response. In addition, provide the name and title of the person(s) providing the response and/or information for each data request.

A-16. Pursuant to Section 65.55(a) of Title 52, 52 Pa. Code § 65.55(a), a Class B public utility, Class C public utility or municipal corporation was to file a Lead Service Line Replacement Program (LSLR Program) within two years of the effective date of the section, or by July 22, 2024. On July 22, 2024, the City of DuBois (DuBois) requested an extension of time to file an LSLR Program with the Commission at Docket No. P-2024-3050267. On September 30, 2024, the Commission granted the extension until December 23, 2024. To date, DuBois has not filed an LSLR Program with the Commission or been granted a further extension. However, DuBois is a municipal corporation that provides water public utility service to more than 745 customers outside of its corporate limits and is required to comply with Commission regulations. Please provide evidence that DuBois has filed an LSLR Program petition with the Commission.
