POST HEARING ORDER

Granting Joint Stipulation
for Admission of Evidence

On April 1, 2025, Peoples Natural Gas Company LLC (Peoples Natural Gas, the Company or PNG) filed a Pro Forma Supplement with proposed changes to the Peoples Retail Tariff Gas Pa. P.U.C. No. 48 and the Peoples Supplier Tariff No. S-4. This filing was docketed at R-2025-3053184, to provide for projected changes in tariff rates resulting from changes in purchased gas costs.

On April 10, 2025, the presiding officer conducted the prehearing conference with the parties present. At the prehearing conference, the parties considered issues raised by the filings, discussed prehearing matters and established a litigation schedule. Thereafter, the presiding officer issued the Prehearing Order on April 15, 2025; and an evidentiary hearing was scheduled to be conducted on May 22, 2025.

On May 21, 2025, Peoples, on behalf of itself, BIE, OCA, OSBA and PIOGA, (collectively, the parties), filed the Joint Stipulation for Admission of Evidence. The parties stipulated Peoples and OCA were the only parties to submit written direct testimony and exhibits and Peoples was the only party to submit rebuttal testimony. All the parties agree that the written direct testimony and exhibits of Peoples and OCA, plus the rebuttal testimony of Peoples,

have been authenticated and should be admitted into the record. The parties requested the statements and exhibits be admitted into the record of this proceeding and expressly waived the opportunity for cross-examination of the witnesses sponsoring those statements and exhibits.

On May 22, 2025, the presiding officer convened the evidentiary hearing, at which all of the parties appeared. Both Peoples and OCA moved to admit their written statements and exhibits into the hearing record. The presiding officer granted the motions and admitted the written statements and exhibits, with verifications, into the hearing record. Peoples and OCA were ordered to provide a copy to the court reporter for the proper inclusion into the Commission's hearing record. This Post Hearing Order commemorates the admission of the documents into the record and lists the statements and exhibits admitted in the Ordering Paragraph below.

The requests to admit evidence without cross examination are reasonable and are granted, pursuant to the authority of the presiding officer as provided in 52 Pa. Code § 5.483, and as pertains to the control of receipt of evidence in 52 Pa. Code §§ 5.403 and 5.404.

ORDER
