ALLENTOWN PA 18101**

**RE: Generation Supply Charge-1  
Effective June 1, 2025  
M-2025-3054817**

Dear Ms. Klock:

The Bureau of Audits has reviewed PPL Electric Utilities Corporation's proposed Supplement No. 393 to Tariff Electric – Pa. P.U.C. No. 201 and the supporting rate computations submitted on April 28, 2025 and revised on May 9, 2025, to become effective on June 1, 2025.

Based upon staff review, it appears that the proposed Generation Supply Charge-1 (GSC-1) rates, which includes Time of Use (TOU) rates, for the six-month period of June 1, 2025 through November 30, 2025 are consistent with the tariff and, accordingly, are permitted to become effective as filed.

The GSC-1 is subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Pursuant to the Commission's regulations at 52 Pa. Code § 5.44 (relating to petitions for reconsideration from actions of the staff), you may appeal by filing a petition for reconsideration with the Commission within 20 days of the date of this letter. Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2025-3054817.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'.

Matthew L. Homsher  
Secretary
