Re: Duquesne Light Company – Default Service Plan X Compliance Filing

Dear Mr. Brechlin:

By Order entered January 14, 2025 (January Order), the Commission approved the Default Service Plan for the period from June 1, 2025 through May 31, 2029 for Duquesne Light Company (the Company), and authorized the Company to file the tariffs attached to the Joint Petition for Settlement as Appendices A and B. On April 28, 2025, the Company filed Supplement No. 92 to Electric - PA. P.U.C. No. 25 and Supplement No. 30 to Electric - PA. P.U.C. No. 3S, to become effective for service rendered on or after June 1, 2025, in compliance with the January Order.¹

Commission Staff has reviewed the tariff revisions in compliance with the January Order and found that suspension or further investigation does not appear warranted at this time. Therefore, in accordance with 52 Pa. Code Chapter 53, the tariff revisions are effective by operation of law as of the effective dates contained on each page. However, this is without prejudice to any formal complaints timely filed against said tariff revisions.

If you have any questions in this matter, please contact Marissa Boyle, Bureau of Technical Utility Services, at (717) 787-7237 or maboyle@pa.gov.

Sincerely,

Matthew L. Homsher
Secretary

¹ Supplement No. 92 also modifies default service rates contained in Rider No. 8 – Default Service Supply, and modifies the Fixed Retail Administrative Charge for those customers taking service under Rider No. 9 – Day-Ahead Hourly Price Service, effective June 1, 2025. The Commission’s Bureau of Audits has reviewed the rate adjustments and found them to be consistent with the January Order and the Company’s tariff. See Docket No. M-2025-3054828.
