*Re: Request to Rescind Broker/Marketer License and Withdraw Application
Docket # A-2025-3055294*

Dear Secretary Chiavetta,

Currents Energy, Inc. respectfully petitions the Pennsylvania Public Utility Commission (“Commission”) to:

1. **Rescind** Currents’ Electric Generation Supplier (Broker/Marketer) License issued under the above-referenced docket; and
2. **Withdraw** all pending or related filings associated with that license.

Currents’ Board of Directors voted on June 2, 2025 to cease operations and dissolve the corporation. Currents has *no active Pennsylvania customers, contracts, accounts, or outstanding obligations* related to electric supplier brokerage. All customer data have been securely archived and no further marketing, enrollment, or brokerage activity will occur.

Accordingly, Currents requests that the Commission close this docket and remove Currents Energy, Inc. from all active lists of licensed brokers/marketers.

Please confirm the rescission in writing to the address above or by email to matt@getcurrents.com. Should you require any additional information or forms, I will respond promptly.

Thank you for your attention to this matter.

Sincerely,
Matthew Zothner
Chief Executive Officer
Currents Energy, Inc.
