Changes Made by this Supplement
Section 2 – Sheet 1A

The purpose of this filing is to increase Business Network Access 1 Party and Pay Telephone monthly base rates per line for Rate Bands (C) and (D) by \$3.50.

These changes impact the same rate elements reflected in our proposal letter of April 30, 2025 however the increase amount per line has been reduced.

A copy of the bill message language for these rate increases is attached and will be placed on applicable customer June bills.

This filing is being submitted less than 60 days (59 days) due to re-calculating the allowable rate increase amount.

Please contact me at the number above or at mike.shultz@consolidated.com or Carrie Patterson at carrie.patterson@consolidated.com with any questions or concerns regarding this filing.

Thank you for your assistance in this matter.
