Re: Petition of PPL Electric Utilities Corporation for Approval of a Default Service Program and Procurement Plan for the Period from June 1, 2025 through May 31, 2029; Compliance Filing

Dear Ms. Klock:

On June 2, 2025, PPL Electric Utilities Corporation (the Company) filed Supplement No. 396 to Electric Pa. P.U.C. No. 201 to become effective on June 1, 2025. The supplement was filed in compliance with Ordering Paragraph No. 3 of the Commission's Order entered November 7, 2024 approving the Joint Petition for Approval of Settlement in the above-docketed proceeding. The supplement implements the necessary tariff modifications proposed in Attachment L to the Settlement, consistent with the Order.

Commission Staff has reviewed the tariff revisions and found that suspension or further investigation does not appear warranted at this time. Therefore, in accordance with 52 Pa. Code Chapter 53, Supplement No. 396 to Electric Pa. P.U.C. No. 201 are effective by operation of law as of the effective date contained on each page of the supplement. However, this is without prejudice to any formal complaints timely filed against said tariff revisions.

If you have any questions in this matter, please contact Marissa Boyle, Bureau of Technical Utility Services, at (717) 787-7237 or maboyle@pa.gov.

Sincerely,

Matthew L. Homsher
Secretary
