Kenneth C. Jones :
 :
 v. : C-2024-3052003
 :
 Pittsburgh Water and Sewer Authority :

Dear Parties,

On May 13, 2025, the parties met with me and, during settlement discussions off the record, the parties were able to reach an agreement on how to settle the formal complaint. The parties agreed Mr. Jones would pay \$500 initially and then he would pay \$42 per month for 36 months (in addition to his normal billing) until he paid \$1,500 to PWSA. At the conclusion of the hearing, PWSA indicated it would send a “settlement letter” to Mr. Jones that spell out the terms of the agreement, and PWSA would follow that letter with a Certificate of Satisfaction.

Since May 13, 2025, I have not heard or received any correspondence or communication from either party.

The Commission promotes settlements. (See 52 Pa.Code § 5.231(a)). Therefore, I agreed to provide the parties with time in which to work out the settlement.

Accordingly, I expect a response from PWSA within two weeks from the date of this letter that indicates the status currently and/or provides a Certificate of Satisfaction. If either party wants to reschedule this matter for a Further Hearing, please inform my office within two weeks. Otherwise, if I hear nothing from Mr. Jones or PWSA, this matter will be rescheduled.

Sincerely,

Katrina L. Dunderdale
Administrative Law Judge
