RE: Cancellation of Certificate of Public Convenience M-2025-3053520

Respondent:

By Secretarial Letter dated May 21, 2015, the Commission cancelled the authority of Easy Connection Transportation Limited Liability Company at Case Docket No. M-2025-3053520 because it was not in compliance with the insurance requirements of 66 Pa.C.S. § 512.

This Commission has the power to rescind a Secretarial Letter in light of newly discovered evidence or a change of circumstances which justify reconsideration. It has come to our attention that insurance was filed timely for this authority at Case Docket No. M-2025-3053520, with this Commission.

Therefore, the Certificate of Public Convenience at Docket No. A-2023-3039570, Utility code A-6426125, will be reinstated.

Furthermore, this Commission is requesting the Pennsylvania Department of Transportation to lift any administrative holds on respondent's vehicle registration.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'.
