Pennsylvania Service Territory Natural Gas Disclosure Statement

This is an agreement between NextEra Energy Services New York, LLC (“NES”, “us”), and the customer (“Customer”, “you”). These terms and conditions together with the Natural Gas Supplier Contract Summary (“Contract Summary”), which are incorporated herein by reference, constitute the agreement between you and NES (the “Agreement”). NES is licensed by the Pennsylvania Public Utility Commission (“PUC”) as a Natural Gas Supplier (“NGS”) provider to offer and supply natural gas service in Pennsylvania. Subject to the terms and conditions of this Agreement, NES agrees to sell and deliver, and you agree to purchase and accept the quantity of Natural Gas, as measured or estimated by your Natural Gas Distribution Company (“NGDC”), necessary to meet your residential or small commercial requirements based upon consumption data obtained by NES and upon the natural gas delivery schedule of the NGDC. Commodity prices and charges are set by the natural gas supplier you have chosen. The PUC regulates distribution or delivery prices and services

The Parties hereby agree as follows:

1. **Purpose:** The purpose of this Agreement is to authorize NES to become your natural gas supplier and you authorize NES to undertake whatever steps are necessary to accomplish your switch. NES will begin providing natural gas service to you on the next applicable meter read date after the NGDC processes your enrollment and your service will continue throughout the term of this Agreement. NES natural gas service will be delivered to you using your NGDC’s natural gas distribution wires. You represent and warrant that the natural gas supply being purchased under this Agreement is to be used solely for residential or small commercial purposes. NES’ obligations under this Agreement are conditioned on you providing complete and accurate information, on you remaining an NGDC distribution customer throughout the term and remaining under the applicable residential or small commercial natural gas rate class without delinquent payments or an active payment arrangement at the time of enrollment. The natural gas will be delivered to your meter(s) whereupon you shall be deemed to have full possession and control of such Natural Gas.

2. **Right of Rescission:** You may rescind this Agreement without fees or penalty within three (3) business days of receiving this Disclosure Statement. You can rescind by contacting NES, either in writing, orally, or electronically via email. Please provide your name, address, phone number, and account number and a statement that you are rescinding your Agreement. Please contact NES should you have questions regarding your right of rescission.

3. **Definitions:** “Commodity Charges” are the charges for basic gas supply service which is sold either by volume (Ccf or Mcf) or heating value (Dekatherms).

“Distribution Charges” are the charges for delivery of natural gas from the point of receipt into the NGDC’s system.

4. Pricing:

Fixed Rate Plan: You will pay the fixed price of XX.XX¢/Ccf plus a Monthly Gas Management Fee of \$X.XX for the length of your initial term of this Agreement. For your natural gas supply price, it includes natural gas commodity charges, estimated Total State Taxes, but excludes applicable state and local Sales Tax. Commodity Prices and Charges are set by the natural gas supplier that you have chosen. The Public Utility Commission regulates distribution prices and services.

Generation Price at Various Usage Levels:

15 Ccf per Month	80 Ccf per Month	120 Ccf per Month
\$xxxx	\$xxxx	\$XXX

5. Billing and Payment Terms: you will receive a single bill, typically on a monthly basis, from your NGDC that will contain both your NES and NGDC's charges. You will pay your bill in accordance with the NGDC's billing and payment terms. Your payment will be due to the NGDC by the date specified in the bill.. Your NGDC may offer you budget billing or other payment plans, however NES does not offer budget billing for NES' charges.

6. Switching:

If you change your natural gas supplier, your NGDC may apply a switching fee. NES will not charge you for starting or stopping this Agreement. If you return to your NGDC after switching to a retail energy service provider, you may or may not be served under the same rates, terms and conditions that apply to other customers served by the NGDC. NES cannot guarantee a switch of your account to NES will occur by a specific date and NES will not be liable for delays in the process. NES will not charge you for starting or stopping this Agreement if accomplished within the terms of this Agreement.

Early Termination Fee: If your fixed price plan is cancelled during the initial term of your Agreement, except as specifically set forth in Section 13 regarding Permitted Cancellations, NES will assess you an early termination fee, if applicable, as may be set forth in the Contract Summary. Such charge is intended to compensate NES for losses and expenses it estimates it will incur as the result of the early cancellation of a customer's fixed rate plan. The early cancellation fee may be a flat fee or a certain amount multiplied by remaining months between the termination date and initial term end date.

Collection Fees: You shall be responsible for any and all collection costs incurred by NES.

8. Length of Agreement ("Term"): Your service with us will begin on the meter read date set by your NGDC (unless you and we otherwise agree), sometimes taking up to two billing cycles to complete, shall continue in effect for 12 billing cycles, unless cancelled or renewed as provided in this Agreement. Expiration of Term/Renewal/Change in Terms: If you have a fixed duration contract approaching the expiration date, or whenever we propose to change the terms of service, you will receive two separate written notifications, the first approximately 60 to 75 days in advance and the second 45 days in advance of either the expiration date or the effective date of the proposed changes. These notifications will explain your options going forward.

10. Assignment: You may not assign the Agreement, in whole or in part, or any of your rights or obligations under the Agreement without our prior written consent. NES may, without your consent, (i) as part of any financing or other financial arrangements, assign, sell or pledge this Agreement or its accounts, revenues, or proceeds, or (ii) assign this Agreement to an affiliate of NES or to any other person or entity succeeding to all or a substantial portion of the assets of NES. If the contract is assignable, NES shall inform the Customer of this and prior to any contract assignment, NES will provide fourteen (14) days' written notice to the Customer with the name of the new NGS, the contact information for the new NGS, and the estimated month and year that the assignment is expected to occur.
