5. On May 30, 2025, pursuant to Section 1307(f) of the Public Utility Code, UGI Gas Utilities, Inc. – Gas Division (“UGI Gas” or the “Company”) submitted the Company’s annual Purchased Gas Cost (“PGC”) Rate pre-filing.

7. Section 1318 of the Public Utility Code, 66 Pa. C.S. § 1318, provides that no rates of a natural gas distribution utility shall be deemed just and reasonable unless the Commission finds that the utility is pursuing a least cost fuel procurement policy, consistent with the obligation to provide safe, adequate, and reliable service. The Commission must find, among other things, that the utility has (1) fully and vigorously represented ratepayer interests before the Federal Energy Regulatory Commission; (2) taken all prudent steps to negotiate favorable gas supply contracts and to relieve its obligations under contracts that may be adverse to ratepayer interests; (3) taken all reasonable steps to obtain lower cost gas supplies; and (4) not withheld or caused to be withheld gas supplies that should have been utilized as part of a least cost fuel procurement policy. 66 Pa. C.S. § 1318(a).

8. The OSBA files this Formal Complaint to ensure that the Company’s purchased gas cost rates are consistent with a least cost fuel procurement policy and do not result in rates and charges that are excessive, unjust or unreasonable, discriminatory or otherwise contrary to Commission regulation or policy.

9. In view of the foregoing, the Small Business Advocate respectfully requests that the Pennsylvania Public Utility Commission:

- A. Hold evidentiary hearings in accordance with Section 1307(f) of the Public Utility Code;
- B. Deny any proposed rate changes which are not the result of a least cost fuel procurement policy as defined by the standards set forth in Section 1318 of the Public Utility Code, and as defined by other applicable ratemaking standards;
- C. Ensure that the Company's small business customers are not allocated any costs that should not be borne by them;
- D. Deny any rate change that is unjust, unreasonable, unduly discriminatory, or contrary to sound ratemaking principles; and
- E. Grant such other relief as may be necessary or appropriate.

Respectfully submitted,

/s/ Steven C. Gray

**PUBLIC STATEMENT OF
THE OFFICE OF SMALL BUSINESS ADVOCATE**

The Small Business Advocate is authorized and directed to represent the interest of small business consumers of utility services in Pennsylvania under the provisions of the Small Business Advocate Act, Act 181 of 1988, 73 P.S. §§ 399.41 - 399.50 (the “Act”). The Act further provides that the Small Business Advocate is to issue publicly a written statement stating concisely the specific interest of small business consumers to be protected by his initiation of or intervention in any proceeding involving those interests before the Public Utility Commission or any other agency or court. This public statement relates to the filing today by the Small Business Advocate of a complaint against the 2025 Purchased Gas Cost (“PGC”) Rate filing of UGI Gas Utilities, Inc. – Gas Division (“UGI Gas” or the “Company”).

The Small Business Advocate files this formal complaint against the Company’s proposed gas cost rate to protect the interests of UGI Gas’s small business customers. The Company’s PGC Rate filing states that the total natural gas cost for retail customers will increase from \$6.6061 per Mcf to \$6.7677 per Mcf on December 1, 2025.

Consequently, a thorough inquiry by the Public Utility Commission into all the elements of the Company's gas cost rate is necessary to ensure that the utility is pursuing a least cost fuel procurement policy, consistent with the obligation to provide safe, adequate, and reliable service.

In view of the foregoing, the Small Business Advocate will participate in proceedings before the Public Utility Commission to investigate the reasonableness of the proposed rates in UGI Gas's 2025 PGC Rate filing. The Small Business Advocate will ask the Commission to deny any proposed rate increase or other changes in the Company's present tariffs that apply to small business customers that are not proven by UGI Gas to be lawful, just, reasonable, and non-discriminatory.
