Re: Philadelphia Gas Works Universal Service and Energy Conservation Plan for 2023-2027 Submitted in Compliance with 52 Pa. Code § 62.4, Docket No. M-2021-3029323; and
Petition for Emergency or Expedited Order Approving Temporary Modifications to the Universal Service and Energy Conservation Plan for 2023-2027, Docket No. P-2024-3048856

Dear Secretary Homsher:

The Commission recently approved a series of modifications to Philadelphia Gas Works' ("PGW") Universal Service and Energy Conservation Plan for 2023-2027 ("USECP") in the above referenced dockets, specifically related to PGW's Hardship Fund Program. Most recently, on March 11, 2025, the Commission approved the Further Revised Appendix O to PGW's USECP. By letter dated April 24, 2025, PGW notified the Commission that PGW has secured additional funding from the City of Philadelphia ("City") to provide up to \$350,000 in matching grants that will be used to support PGW's Hardship Fund Program through June 30, 2025 (the end of the City's Fiscal Year 2025), and PGW was continuing discussions with the City seeking to secure additional grant assistance in future years.

By way of this letter, PGW is pleased to notify the Commission that on June 3, 2025, it received formal, written notice that the City would support PGW's Hardship Fund program with \$695,500 in grant funding through June 30, 2026

Please do not hesitate to contact me with any questions or concerns. Copies to be served in accordance with the attached Certificate of Service.

Sincerely,

Deanne M. O'Dell
