PETITION TO WITHDRAW COMPLAINT

Richard X. McDonald, through his attorney, petitions the Commission for leave to withdraw his complaint. In support of his request he states as follows:

1. Your Complainant filed this complaint to redress what he believes to be wrongful conduct by PAW on property owned by him in Dunmore, Lackawanna County.

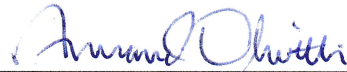

2. This complaint involves a claim for damages caused by entry onto, and conduct which took place on, that property, which is vacant, under right of easement to reconstruct a municipal collector sewer line. It does not involve a claim associated with providing residential service, since the property is vacant.

3. Your Complainant has been advised by counsel that the PUC likely does not have jurisdiction over such a claim, since it does not involve providing residential utility service to the premises.

4. Your complainant elects to withdraw his complaint without prejudice, and hereby requests to do so.

WHEREFORE, your Complainant asks this Honorable Commission to grant permission to withdraw his complaint without prejudice, and for such other and further relief as is just.

Respectfully submitted,

Armand E. Olivetti, Jr.

Attorney for Richard X. McDonald
