TO PENNSYLVANIA PUBLIC UTILITY COMMISSION:

I. INTRODUCTION

1. Pennsylvania-American Water Company (“Pennsylvania-American”, “PAWC”, “Company”, or “Applicant”) hereby respectfully requests that the Pennsylvania Public Utility Commission (“Commission”) issue a Certificate of Public Convenience evidencing its approval under Section 1102(a)(1)(i) of the Public Utility Code, 66 Pa.C.S. § 1102(a)(1)(i), of Pennsylvania-American’s right to begin to offer, render, furnish and supply wastewater service in an additional portion of Douglass Township, Berks County, Pennsylvania.

2. The Application is being filed to extend wastewater service to the public in the proposed service territory in an additional portion of Douglass Township, Berks County, Pennsylvania.

3. The name and address of the Applicant is:

Pennsylvania-American Water Company
852 Wesley Drive
Mechanicsburg, PA 17055

4. The name and address of the Applicant’s attorney is:

Erin K. Fure, Esquire (PA ID #312245)
Pennsylvania-American Water Company
852 Wesley Drive
Mechanicsburg, PA 17055

II. DESCRIPTION OF THE APPLICANT

5. Pennsylvania-American is a public utility corporation organized and existing under the laws of the Commonwealth of Pennsylvania and is a wholly owned subsidiary of American Water Works Company, Inc. PAWC furnishes water and wastewater service in a certificated service territory encompassing portions of 37 counties and 418 municipalities across the Commonwealth. As of May 31, 2025, PAWC furnishes wastewater service to 115,031 residential, commercial, industrial, municipal, miscellaneous, and bulk customers in Pennsylvania. The total number of customers by class are as follows:

Residential	105,630
Commercial	8,956
Industrial	84
Municipal	308
Miscellaneous	53
Total	115,031

In addition, PAWC furnishes water service to approximately 690,060 customers.

6. Attached hereto as **Exhibit A** is pertinent information with respect to the corporate history, authority, and service territory of Pennsylvania-American.

III. THE PROPOSED ADDITIONAL SERVICE TERRITORY

7. As indicated at Paragraph 2 above, the proposed additional service territory is located at 710 Evans Road, Douglass Township, Berks County, Pennsylvania. Attached hereto as **CONFIDENTIAL Exhibit B-1** is a map showing the boundaries of the area

and attached hereto as **Exhibit B-2** is a metes and bounds description of the area to be served (the “Applied For Service Territory”). The Applied For Service Territory will allow Pennsylvania-American to provide public wastewater to a structure (residential home) located at 710 Evans Road, Pottstown, Douglass Township, Pennsylvania (“Evans Road property”). The Applied for Service Territory consists of approximately .94 acres. Pennsylvania-American has been previously certificated to provide service in a portion of Douglass Township under Docket Nos. A-2020-3021460.¹ See, Application and Orders attached as **Exhibit C**.

8. Pennsylvania-American currently provides wastewater service to Douglass Township adjacent to the Applied for Service Territory,² Furthermore, two neighboring premises of the Evans Road property already receive service from Pennsylvania-American³. There are no other sewer systems close to this location other than Pennsylvania-American.

9. Currently, the Evans Road property is connected to an on-site septic system, which is failing. The septic system failed inspection and the land does not lend itself to have a replacement on-site system installed. Please see the request for service from the property owner, Todd Stapleton, at **CONFIDENTIAL Exhibit D**.

10. If the Application is approved, the Evans Road property owner will be connected to Pennsylvania-American’s Upper Pottsgrove Wastewater Treatment Facility (“Upper Pottsgrove Facility”), which will receive the flow from the Evans Road property. PAWC has an

¹ Please note, **Exhibit C**, includes *Application of Pennsylvania-American Water Company under Section 1102(a) of the Pennsylvania Public Utility Code, 66 Pa C.S. § 1102(a), for approval of (1) the transfer, by sale, of substantially all of Upper Pottsgrove Township’s assets, properties and rights related to its wastewater collection and conveyance system to Pennsylvania-American Water Company, and (2) the rights of Pennsylvania-American Water Company to begin to offer or furnish wastewater service to the public in Upper Pottsgrove Township, Montgomery County and a portion of Douglass Township, Berks County, Pennsylvania - Docket No. A-2020-3021460, et al (Order entered September 15, 2021)*. This docket does not include the appendices of the Application due to the sheer volume of the Application but does including the Order, Application (sans Appendices) and mapping information.

allocated capacity from Pottstown Sewer Authority for 682,100 gallons per day. PAWC's current average flow is 334,000 gallons per day.⁴ The projected flow from the Evans Road property is 300 gallons per day. The Upper Pottsgrove Facility will have more than adequate treatment and flow capacity to meet present and future service needs from the Evans Road property.

11. The Evans Road property will be connecting to an existing PAWC facility, which is approximately 85 linear feet of 1 ¼ inch SDR-21 HDPE⁵ low pressure force main that runs to the property on Evans Road.

12. The facilities to be installed by Pennsylvania-American within the Applied for Service Territory will consist of the following:

225 Linear Feet	1-1/4" SDR-21 HDPE Low Pressure Sewer w/ Bends/Valves/Valve Box & Kickers
50 Linear Feet	4" SCH40 PVC Lateral & Double Vented Running Cleanout
1	Grinder Pump
1	Flush Port
1	Mobilization and Closeout

13. The total cost for installation of a wastewater PVC lateral is approximately \$54,624.00, which will be assumed by the homeowner. This amount includes excavating, labor, paving costs and a local permit that is needed to complete the project. A breakdown is seen at Tab 9 of **CONFIDENTIAL Exhibit E**.

14. As stated above, the Evans Road property owner will be paying for the direct cost of installing the facilities. Furthermore, the Evans Road property owner will be entirely

⁴ Please find the Sewage Facilities Planning Module at **CONFIDENTIAL Exhibit E**.

⁵ Standard Dimension Ration High Density Polyethylene.

responsible for the abandonment of the septic system; Pennsylvania-American shall have no responsibility with regard to the abandonment of the septic system. No additional capital will be required by the Applicant for the purpose of financing the matters and things involved in this Application due to the property owner taking financial responsibility for this project.

15. Pennsylvania-American will not be required to obtain any easements to serve in the Applied for Service Territory due to the sewer being in the public road that fronts the property. No inspections are needed but a road opening permit is required to complete this project due to Evans Road being a municipal owned road.

16. To the best of the Applicant's knowledge, no corporation, partnership, or individual is currently furnishing or has corporate or franchise rights to furnish service similar to that to be rendered by Applicant in the Applied for Service Territory, and no competitive condition will be created.

17. Water service to this property is currently being provided by Pennsylvania-American.

18. The Company expects wastewater service to begin shortly after Commission approval of this Application.

IV. FINANCIAL AND OTHER RELEVANT INFORMATION

19. There is attached hereto, as **Exhibit F**, a balance sheet of the Company as of December 31, 2024.

20. There is attached hereto, as **Exhibit G**, a statement of income and retained earnings of the Company for the 12 months ending December 31, 2024.

21. Pennsylvania-American will charge its then existing Rate Zone 1 rates for service in the Applied For Service Territory as set forth in its Tariff. Current Rate Zone 1 are shown on **Exhibit H** and may be changed from time to time. Authorizing Pennsylvania-American to furnish service in the Applied For Service Territory will have no adverse effect upon the service furnished or the rates charged to its existing customers.

22. The estimated annual revenues and expenses of the Company in the Applied For Service Territory are set forth in **Exhibit I** attached hereto.

V. PUBLIC INTEREST

23. It is in the public interest for the Company to provide wastewater service in the Applied For Service Territory because it is financially and technically capable of providing service. Furthermore, it will benefit the new customer who will experience enhanced customer service in several areas, such as, but not limited to, extended customer service and call center hours, customer information and education programs, and PAWC's customer assistance program. Furthermore, it is in the best interest of the public, including our customers, to have an old septic system removed and have this property connected to a public sewer because it decreases the potential of contamination. A letter in support can be found at **Exhibit J** from Douglass Township confirming that the extension is permitted and aligns with Douglass Township's ongoing efforts to improve infrastructure and promote sustainable development within the Township. An Application for Sewerage Facilities Planning Modules was sent to Pennsylvania Department of Environmental Protection (hereinafter "DEP") and it was approved by DEP. Please see the DEP letter approval and Sewerage Facilities Planning Module attached as **CONFIDENTIAL Exhibit E**.

24. Upon approval of the Application, receipt of a Certificate of Public Convenience, and installation of the proposed facilities, the Company will provide wastewater service to the Evans Road property owner in the Applied For Service Territory under the Rules and Regulations of its Commission-approved tariff.

VI. RELIEF

25. Together with the Order approving this Application, Pennsylvania-American requests that the Commission issue a Certificate of Public Convenience pursuant to Section 1102(a) of the Public Utility Code, 66 Pa.C.S. §1102(a), authorizing the Company to furnish wastewater service in a portion of Douglass Township, Berks County depicted in **CONFIDENTIAL Exhibit B-1** and described in **Exhibit B-2** hereto.

WHEREFORE, Pennsylvania-American respectfully requests that the Commission approve this Application and grant the relief requested above.

EXHIBIT A
PAWC COMPANY HISTORY

PENNSYLVANIA-AMERICAN WATER COMPANY

Pennsylvania-American Water Company, an investor-owned water company, with corporate offices at 852 Wesley Drive, Mechanicsburg, is a subsidiary of American Water Works Company, Inc. On February 1, 1989, the then-existing Pennsylvania-American Water Company (the result of the January 1, 1987 merger of Riverton Consolidated Water Company with and into Keystone Water Company) was merged with and into Western Pennsylvania Water Company, and the name of the surviving corporation was changed to Pennsylvania-American Water Company. A brief summary of each of the three predecessor companies follows.

Riverton Consolidated Water Company was formed by the merger and consolidation of six operating water companies in 1904. It subsequently acquired seven additional systems, and at the time of its merger with Keystone, supplied water to 12 municipalities on the Harrisburg west shore, Cumberland County, and Fairview Township in York County.

Keystone Water Company resulted from the 1973 merger of 14 companies with and into White Deer Mountain Water Company. The Company later acquired four systems. It provided water service in 14 eastern Pennsylvania counties through the following distribution systems: Abington, Bangor, Berwick, Frackville, Hallstead, Hershey/Palmyra, Montrose, Moshannon Valley, Norristown, Northumberland, Susquehanna, Thompson, White Deer (Milton), and Yardley.

Western Pennsylvania Water Company was the product of the merger of 16 water companies with and into South Pittsburgh Water Company at various times from 1970 to 1973. WPW added seven water distribution systems, extending its service territory into portions of 12 western Pennsylvania counties. The company operated through the following district offices: Butler, Clarion, Connellsville, Ellwood, Indiana, Kane, Kittanning, McDonald, Mon Valley, New Castle, Pittsburgh, Punxsutawney, Uniontown, Warren, and Washington.

After the merger of Riverton and Keystone in 1987, the former Pennsylvania-American Water Company purchased five systems: Red Land Water Company in York County, Campbelltown Water Company in Lebanon County, and three systems in the Moshannon Valley area, Clearfield County - Woodland-Bigler Area Authority, Allport Water Authority, and Graham Water Association.

Since the merger of the former Pennsylvania-American Water Company (Riverton and Keystone) into Western Pennsylvania Water Company on February 1, 1989, the Company has acquired the following water and wastewater systems: Smith Township Municipal Authority system (Washington County, February 27, 1989); Abington Township system (Lackawanna County, August 5, 1989); Summit Township Municipal Authority system (Butler County, August 31, 1993); Skyline Water Company (Dauphin County, December 2, 1993); Gregg Township Municipal Authority system (Union County, April 25, 1994); P-F Area Water Association system (Washington County, October 1, 1994); Country Place Water Company, Inc. and Country Place Waste Treatment Company, Inc. **ORDERS AND CERTIFICATE OF PUBLIC CONVENIENCE
FOR ADJACENT SERVICE TERRITORY**

THEREFORE,

IT IS ORDERED:

1. That the Joint Petition for Approval of Non-Unanimous Settlement of All Issues filed by Pennsylvania-American Water Company, the Office of Consumer Advocate, the Pennsylvania Public Utility Commission's Bureau of Investigation and Enforcement, the Office of Small Business Advocate, Upper Pottsgrove Township, and Shadeland Development Corporation, on June 25, 2021 at Docket No. A-2020-3021460, including all terms and conditions thereof, is approved, without modification.

2. That the Application filed by Pennsylvania-American Water Company on November 24, 2020, as amended, be granted, subject to the conditions set forth in the Joint Petition for Approval of Non-Unanimous Settlement of All Issues filed on June 25, 2021 and the terms set forth in this Order.

3. That the Commission issue Certificates of Public Convenience under 66 Pa.C.S. §§ 1102(a) and 1103(a) evidencing Commission approval of: (i) the transfer, by sale, of Upper Pottsgrove Township's assets, properties and rights related to its wastewater collection and treatment system to Pennsylvania-American Water Company as provided in the Application, and (ii) Pennsylvania-American Water Company's right to begin to offer, render, furnish and supply wastewater collection and treatment service in the areas served by Upper Pottsgrove as indicated in the Application.

4. That, upon the day of Closing of the Transaction, Pennsylvania-American Water Company be permitted to issue a compliance tariff supplement, consistent with the *pro forma* tariff supplement submitted with the Application as Appendix A-12, to be effective upon the day of Closing of the Transaction.

5. That the Commission approve, under 66 Pa.C.S. § 1329(c), a rate base addition of \$13,750,000 associated with the acquisition of the System.

6. That, in future acquisitions by Pennsylvania-American Water Company under 66 Pa.C.S. § 1329, filed subsequent to the Commission's approval of this Settlement without modification, Pennsylvania-American Water Company shall clearly document the date on which it engaged or otherwise authorized its utility valuation expert to perform the fair market value appraisal of the system so as to demonstrate compliance with 66 Pa.C.S. § 1329(a)(5).

7. That Pennsylvania-American Water Company be directed to ensure that, in any future Section 1329 applications it submits, the engineering assessment required under 66 Pa.C.S. § 1329(a)(4) will designate the condition of the inventory and assets appraised. Such designation of condition shall be limited to whether the categories of system assets appraised are in poor, fair, good, or very good condition

8. That Pennsylvania-American Water Company and Upper Pottsgrove Township be directed to continue to work to achieve the transfer of the Real Property Rights. However, PAWC shall be permitted, in its discretion, to Close without the transfer of all of the Real Property Rights, provided that an escrow is established from the Purchase Price to be used to obtain any post-Closing transfers of the Real Property Rights. Pennsylvania-American Water Company will provide an update to the Pennsylvania Public Utility Commission's Bureau of Investigation and Enforcement, the Office of Consumer Advocate and the Office of Small Business Advocate approximately thirty (30) days in advance of the anticipated Closing Date and a final update before Closing regarding the status of the transfer of the Real Property Rights.

9. That Pennsylvania-American Water Company be directed to require, as a condition of Closing and subject to 66 Pa.C.S. § 703(g), that Upper Pottsgrove obtain clear title to the sewer line of which Shadeland Development Corporation claims ownership in its Petition to Intervene, by dedication to Upper Pottsgrove, determination of a court of competent jurisdiction that dedication is not necessary, or other evidence reasonably satisfactory to Pennsylvania-American Water Company.

10. That PAWC be directed to complete an Inflow and Infiltration study of the Upper Pottsgrove System following Closing and provide the results of that study to I&E, OCA

and OSBA upon completion. The costs of the I&I study will be subject to prudence review when they are claimed for recovery in base rates.

11. That, in the first base rate case that includes Upper Pottsgrove's wastewater system assets:

a. Pennsylvania-American Water Company will submit a cost-of-service study that removes all costs and revenues associated with the operation of Upper Pottsgrove's system.

b. Pennsylvania-American Water Company will provide a separate cost-of-service study for the Upper Pottsgrove System.

c. Pennsylvania-American Water Company will propose to move the Township's system to its cost of service, based on a separate cost-of-service study for the Township's system; provided, however, that Pennsylvania-American Water Company will not propose Upper Pottsgrove wastewater rates in excess of Pennsylvania-American Water Company's proposed Rate Zone 1 system-average rates. The Joint Petitioners acknowledge, however, that Pennsylvania-American Water Company may agree to rates other than those proposed for Township customers in the context of a settlement of the base rate case. OCA, I&E, OSBA and Upper Pottsgrove reserve their rights to fully address this proposal, and to make other rate proposals in the base rate case.

12. That, pursuant to 66 Pa.C.S. § 1329, Pennsylvania-American Water Company shall be permitted to collect a DSIC prior to the first base rate case in which the Upper Pottsgrove service area plant-in-service is incorporated into rate base; provided, however, that such permission shall be conditioned upon (i) Pennsylvania-American Water Company's filing of an amended wastewater Amended LTIP which does not re-prioritize other existing commitments in other services areas, (ii) the Commission's approval of the Amended LTIP, as may be modified in the discretion of the Commission, and (iii) Pennsylvania-American Water Company's filing of

a compliance tariff supplement which incorporates Upper Pottsgrove into its existing DSIC tariff, including all customer safeguards applicable thereto, after Commission approval of the Amended LTIP.

13. That Pennsylvania-American Water Company shall be permitted to (i) accrue AFUDC for post-acquisition improvements not recovered through the DSIC for book and ratemaking purposes and (ii) defer depreciation related to post acquisition improvements not recovered through the DSIC for book and ratemaking purposes. Any claims for AFUDC and deferred depreciation related to post-acquisition improvements not recovered through the DSIC for book and ratemaking purposes will be addressed in Pennsylvania-American Water Company's first base rate case which includes Upper Pottsgrove's wastewater System assets. The Joint Petitioners reserve their rights to litigate their positions fully in future rate cases when these issues are ripe for review. The Joint Petitioners' assent to this term should not be construed to operate as their preapproval of Pennsylvania-American Water Company's requests.

14. That Pennsylvania-American Water Company shall be permitted to claim Transaction and Closing Costs associated with the Transaction. The Joint Petitioners reserve their rights to litigate their positions fully in future rate cases when this issue is ripe for review. The Joint Petitioners' assent to this term should not be construed to operate as their preapproval of Pennsylvania-American Water Company's request.

15. That, if the transaction does not close, and Pennsylvania-American Water Company does not recoup all of its \$90,000 engineering fee/legal fee deposit from Upper Pottsgrove as referenced in Section 3.01 of the APA, then Pennsylvania-American Water Company will not seek to recover any unrecouped portion of the deposit from its ratepayers in any proceeding.

16. That the inclusion of outside legal fees, if any, in Pennsylvania-American Water Company's transaction and closing costs under the APA between Pennsylvania-American Water Company and Upper Pottsgrove shall be separately identified in Pennsylvania-American Water Company's next base rate case and amounts expended by Pennsylvania-American Water

Company on behalf of Upper Pottsgrove will be separately identified. The OCA, I&E and OSBA reserve the right to challenge the reasonableness, prudence, and basis for such fees.

17. That, within the first billing cycle following Closing, Pennsylvania-American Water Company shall include a bill insert to Upper Pottsgrove's customers regarding its low income programs and shall include such information in a welcome letter to Upper Pottsgrove's customers. The bill insert and welcome letter shall include, at a minimum, a description of the available low income programs, eligibility requirements for participation in the programs, and PAWC's contact information. Pennsylvania-American Water Company will also provide ongoing, targeted outreach to its Upper Pottsgrove-area customers regarding its low income program.

18. That, in the same welcome packet referenced in the above paragraph, Pennsylvania-American Water Company will explicitly inform acquired customers that they are being converted to monthly billing. Pennsylvania-American Water Company's letter should also direct acquired customers to contact Pennsylvania-American Water Company with any questions about the conversion and/or to discuss low-income programming options that may be available.

19. That, pursuant to 66 Pa.C.S. § 507, the Commission issue Certificates of Filing or approvals for the following agreements between Pennsylvania-American Water Company and a municipal corporation: (1) the Sanitary Sewer Asset Purchase Agreement By and Between Upper Pottsgrove Township, Montgomery County as Seller and Pennsylvania-American Water Company as Buyer, dated as of April 28, 2020; (2) the Sewage Treatment Service Agreement between Upper Pottsgrove Township, Borough of Pottsgrove and Pottstown Borough Authority; and, (3) the Joint Sewage Transportation Agreement between Upper Pottsgrove Township and Lower Pottsgrove Township.¹

20. That the contracts listed in Schedule 4.13 of the APA, including but not limited to, the Sewage Treatment Service Agreement referenced in Paragraph No. 42 of the Settlement, which are subject to approval by the Commission under 66 Pa.C.S. § 507, are material

¹ The OCA does not join in this paragraph but does not oppose PAWC's request.

to the Commission's approval of the Transaction (singularly, a "Material Agreement") and that Pennsylvania-American Water Company will require, subject to 66 Pa.C.S. § 703(g), Upper Pottsgrove to obtain assignment of all Material Agreements as a condition of Closing.

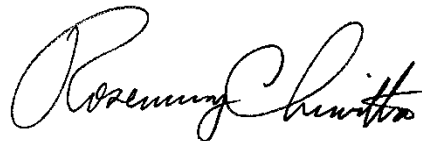

21. That the Commission issue any other approvals or certificates appropriate, customary, or necessary under the Code to carry out the transaction contemplated in the Application in a lawful manner.

22. That all claims asserted by the Borough of Pottstown and Pottstown Borough Authority for a modification to the Settlement or the Application, are hereby denied.

23. That the Protests filed by the Borough of Pottstown and Pottstown Borough Authority in this proceeding, are hereby denied and dismissed.

24. That the Commission's proceeding at Docket No. A-2020-3021460 be terminated and marked closed.
