SR 83, Section B79
DOT # 592188 M
PUC No.: A-2024-3051983
ECMS No: 113357

Dear Secretary Homsher,

In accordance with ordering paragraph number three (3) of the PUC Secretarial Letter at Docket No. A-2024-3051983 dated March 7, 2025, please find attached a signed title sheet to complete the final construction plans package.

On March 31, 2025, we submitted the final construction plans to PUC for review. At the time of the submission, the title sheet had not yet been signed.

We are now submitting the signed title sheet as an addendum to the original submittal. Please note that there have been no changes to the construction plans. This submission solely addresses the inclusion of the signed title sheet, which was finalized upon approval of the final construction plans by Norfolk Southern Railway Company.

Given the project's fast-approaching delivery schedule, we appreciate your prompt attention to this updated submittal.

The Department of Transportation hereby avers that the following parties of record have been served with a copy of this submission in accordance with the attached Certificate of Service.
