**PHILADELPHIA GAS WORKS’
PRELIMINARY OBJECTION TO FORMAL COMPLAINT**

Philadelphia Gas Works (“PGW” or “Respondent”) submits the following Preliminary Objection to the Formal Complaint of Michael Siemien (“Complainant”) served by the Secretary of the Pennsylvania Public Utility Commission (“Commission” or “PUC”) on May 27, 2025 (“Complaint”). Pursuant to 52 Pa. Code §§ 5.61, 5.62 & 5.101(d) of the Commission’s regulations, PGW filed an Answer with New Matter to the Complaint on this same date. In support of this Preliminary Objection, PGW states as follows:

I. INTRODUCTION

The Complainant appears to be challenging a bill that were issued after a meter replacement/exchange that occurred over three years before the filing of the Complaint and which is beyond the statute of limitations.

II. LEGAL STANDARDS FOR PRELIMINARY OBJECTIONS

1. The Commission’s Rules of Administrative Practice and Procedure permit the filing of preliminary objections.¹ The Commission’s procedure regarding the disposition of preliminary objections is similar to that utilized in Pennsylvania civil practice.²

2. Under Section 5.101(a) of the Commission’s regulations, preliminary objections must specifically state the legal and factual grounds relied upon and be limited to the following:

- (1) Lack of Commission jurisdiction or improper service of the pleading initiating the proceeding;
- (2) Failure of a pleading to conform to this chapter or the inclusion of scandalous or impertinent matter;
- (3) Insufficient specificity of a pleading;
- (4) Legal insufficiency of a pleading;
- (5) Lack of capacity to sue, nonjoinder of a necessary party or misjoinder of a cause of action;

¹ 52 Pa. Code § 5.101(a)(1)-(7). *Equitable Small Transportation Interveners v. Equitable Gas Company*, 1994 Pa. P.U.C. LEXIS 69, Docket No. C-00935435 (July 18, 1994).

² *Id.*

- (6) Pendency of a prior proceeding or agreement for alternative dispute resolution; and
- (7) Standing of a party to participate in the proceeding.

3. The moving party may not rely on its own factual assertions but must accept for the purposes of disposition of the preliminary objection all well-pleaded, material facts of the other party, as well as every inference fairly deducible from those facts.³ However, the Commission need not accept as true conclusions of law, unwarranted inferences from facts, argumentative allegations or expressions of opinion.⁴

4. In deciding the preliminary objections, the Commission must determine whether, based on the well-pleaded factual averments of the party, recovery or relief is possible.⁵

III. PRELIMINARY OBJECTIONS BY PGW

5. PGW's responses to Paragraphs 1 to 7 of the Complaint are incorporated herein by reference. In addition, PGW's New Matter to the Complaint is also incorporated herein by reference as well as any exhibits attached thereto.

A. Dismissal Based on Lack of Commission Jurisdiction

6. Section 5.101(a)(1) of the Commission's regulations permits a party to file a preliminary objection based on the lack of Commission jurisdiction. To act on the Complaint, the Commission must have jurisdiction. The Commission, as a creation of the General Assembly, has only the powers and authority granted to it by the General Assembly contained in the Public Utility Code. The Commission must act within, and cannot exceed, its jurisdiction. Jurisdiction may not be conferred by the parties where none exists. Subject matter jurisdiction is a prerequisite to the exercise of power to decide a controversy.

7. The statute of limitations at 66 Pa.C.S. § 3314 is a jurisdictional issue. It requires that any complaint seeking relief under the Public Utility Code be brought within three years from the date at which the liability therefor arose. As a jurisdictional issue, the statute of limitations and the Commission's lack of jurisdiction may be raised at any time. *See, e.g., Application of Laurel Pipe Line Company*, Docket No. A-2016-2575829 (Order entered July 12, 2018) and *Hasty v. Philadelphia Gas Works*, Docket No. C-2014-2419203 (Final Order entered January 27, 2015).

³ *County of Allegheny v. Cmwlth. of Pa.*, 490 A.2d 402 (Pa. 1985).

⁴ *Stanton-Negley Drug Co. v. Dep't of Pub. Welfare*, 927 A.2d 671, 673 (Pa. Cmwlth. 2007).

⁵ *Department of Auditor General, et al. v. SERS, et al.*, 836 A.2d 1053, 1064 (Pa. Cmwlth. 2003); *P.J.S. v. Pa. State Ethics Commission*, 669 A.2d 1105 (Pa. Cmwlth. 1996).

8. The gas meter at the Service Address has not been replaced or exchanged by PGW in the last 3 years.

9. The Complainant has not been billed for any issues relating to or arising out of a meter replacement or exchange with in the last three years.

10. Any cause of action relating to the billing resulting from the meter replacement at the service Address falls outside the applicable statutory period of limitation and is barred under 66 Pa.C.S. § 3314.

IV. CONCLUSION

WHEREFORE, PGW respectfully requests that this Commission grant PGW's Preliminary Objection, dismiss any issues raised in the Complaint regarding billing relating to the meter replacement at the Service Address as beyond the statute of limitations, and grant any other relief to PGW that is deemed to be reasonable and appropriate.

Respectfully submitted,

/s/ Graciela Christlieb
