For the twelve months ended March 31, 2025

Dear Mr. Brechlin:

The Commission's Bureau of Audits has reviewed Duquesne Light Company's Energy Efficiency and Conservation (EE&C) Section 1307(e) Reconciliation Statement for the twelve months ended March 31, 2025.

Based upon staff review, it appears that the EE&C Section 1307(e) Reconciliation Statement filed on April 30, 2025, is mathematically accurate and, accordingly, shall be deemed an adequate filing within the meaning of Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Acceptance of the EE&C Section 1307(e) Reconciliation Statement is expressly subject to such further review and revision as may be found necessary as the result of a subsequent Commission audit or some other proceeding. Acceptance shall not constitute approval of either the accuracy of the reported figures or the reasonableness of the underlying transactions.

This Secretarial Letter does not preclude a party from later filing a complaint on the substance or operation of the adjustment clause rate change filing. Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2025-3054878.

Sincerely,
