Re: *Kenneth C. Jones v. The Pittsburgh Water and Sewer Authority*
PUC Docket No. C-2024-3052003

Dear Judge Dunderdale:

The Pittsburgh Water and Sewer Authority respectfully submits this update pursuant to your correspondence on this matter dated June 5, 2025.

A Settlement Agreement was sent to Claimant Kenneth Jones for his review and consideration following the hearing date. Upon further discussion, the parties have reached a mutual understanding regarding disputed non-monetary terms of resolution. It is anticipated that Mr. Jones will be providing the executed Settlement Agreement very soon. Upon receipt of the fully executed document, Pittsburgh Water will promptly proceed with filing a Certificate of Satisfaction with the Commission.

If the Certificate of Satisfaction is not filed within fourteen days (July 2, 2025), further update will be provided. Should the Court require any additional information at this time, please do not hesitate to contact me.

Very truly yours,

/s/ Conor D. Farley _____
