RE: Electric Generation Supplier License Application

Dear Mr. Gruin:

On April 25, 2025, the Pennsylvania Public Utility Commission (Commission) received THINK HOME SOLUTIONS, LLC's Application for an Electric Generation Supplier (EGS) license.

The applicant stated throughout its EGS Application Package that the name of the applicant is "Think Home Solutions, LLC". According to the applicant's PA Department of State registered name, the name must be written as "THINK HOME SOLUTIONS, LLC" (notice the capitalization differences). All instances of this error must be corrected throughout the EGS Application Package, Affidavits, and Continuous Bond.

Section 1.c (missing address) of the Application is incomplete or not properly completed. In order for the Commission to accept the Application for review, these deficiencies must be corrected. Failure to respond timely will result in the Application being deemed rejected¹ and the docket will be closed.

Please use the Commission's efilng system or an overnight delivery service to submit the requested information to the Secretary of the Commission **within 20 days** from the date of this letter. Please submit revised Application pages for each section. The Commission accepts all public documents through our efilng system and strongly recommends companies open an efilng account through the Commission's website at <https://efiling.puc.pa.gov>. Use of the efilng system will ensure that submissions by the company are received timely and receipt can be verified.

¹ See Pa. Code 52 § 54.32(e)

If your filing contains confidential material, you are required to either file by overnight delivery or submit to the Secretary's SharePoint File system to ensure the timely filing of your submission. Filers should contact the Secretary's Bureau in advance to gain access to the SharePoint File system. Make sure to reference the Docket Number listed above and mark the materials "CONFIDENTIAL" in bold or highlighted manner if any of the requested information is deemed to be of a confidential nature. Please note, financial securities must be sent by overnight delivery.

The overnight address for hard-copy or confidential responses is:

Matthew L. Homsher, Secretary
Pennsylvania Public Utility Commission

Please note that all documents requiring notary stamps must have original signatures.

If THINK HOME SOLUTIONS, LLC decides to withdraw its Application, please reply notifying the Commission of such a decision.

Finally, if any problems arise that prevent a full timely response or if any clarification of this letter is required, please contact Stephen Jakab of the Commission's Bureau of Technical Utility Services via e-mail at sjakab@pa.gov.
