**SECOND INTERIM ORDER
GRANTING A CONTINUANCE PENDING FINAL SETTLEMENT**

On August 21, 2024, Joe Yarzebinski (Complainant) filed a formal complaint against Peoples Natural Gas Company LLC (Peoples). Checking the “other” box on the complaint form, Complainant alleged that Peoples killed a 50-year-old maple tree on his property when Peoples replaced a gas main through his front yard.

A hearing was convened on April 16, 2025. The parties engaged in productive settlement discussions. However, they requested a brief continuance in order to execute the settlement terms.

By email dated June 18, 2025, counsel for Peoples reported that the parties were still in the process of finalizing their agreement.

THEREFORE,

IT IS ORDERED:

1. That on or before **August 1, 2025**, counsel for Peoples shall file a Joint Status Report which provides an updated regarding the status of the execution of the settlement terms.
