RE: Bond Rider & Bond Continuation  
UGI Energy Services LLC  
A-2013-2369288

Dear Mr. Mengel:

Please find under cover of this letter the financial instruments filed with the Commission on behalf of UGI Energy Services LLC because they are not acceptable.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

**The company has not submitted the Q1 2025 Electric Choice Quarterly Gross Receipt Report. As a result, we are unable to accurately determine the required security level for 2025. Please resubmit your filing along with the missing report.**

Please file the **originally signed and sealed security instrument** with my office within 20 days of the date of this letter, preferably by overnight delivery

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'. The signature is written in a cursive style with a large initial 'M'.
