PETITION TO REQUEST AN EXTENSION OF TIME

UGI Utilities, Inc. – Gas Division, (“UGI”), pursuant to 52 Pa. Code § 1.15, hereby files this Petition to Request an Extension of Time to alter DOT Crossing 951858U by removing 75 feet of 12-inch steel (retired) gas main mounted under the Hamilton Street bridge and over the tracks of Norfolk Southern Railway Company (“NFS”) in the city of Allentown, County of Lehigh, Pennsylvania as approved in the Secretarial Letter dated July 9, 2024 (“Secretarial Letter”).

1. In the Secretarial Letter UGI was granted approval to alter DOT Crossing 951858U in accordance with the conditions set forth in the Secretarial Letter.

2. In particular, the Secretarial Letter granted UGI until July 31, 2025 to remove the 75 feet of 12-inch steel (retired) gas main from the Hamilton Street bridge and over the NFS tracks.

3. As stated in the Secretarial Letter, UGI had averred in its Application for Approval of Alteration that the modification of DOT Crossing 951858U is necessary to ensure the safety of the grounds below and surrounding areas.

4. UGI will be unable to meet the original schedule due to needing additional time to coordinate with the interested parties and schedule flaggers to be on the tracks.

5. Due to the delay described above, UGI requests an extension of time until December 31, 2025 to complete its alteration of Crossing 951858U.

WHEREFORE, UGI Utilities, Inc. – Gas Division. requests respectfully that the Commission grant an extension of time until December 31, 2025 to perform the work approved in the Secretarial Letter.

Respectfully submitted,
