Alex,

The application is contested and being adjudicated by the Commission's Office of Administrative Law Judge. As such, we are unable to discuss the case with you. I trust you understand.

Sean and James:

We have re-evaluated the pending CMV application and are wondering if TUS would support a modification to that application to remove all areas requested beyond the current CMV service territory. That modification would be submitted in 2 weeks. If we document this request for 2 weeks to modify this application, would you support this approach with this application?

Thanks in advance,
Alex Chiaruttini
