**PROTEST OF THE

C.S. §§ 1102(a)(3) and 1103, of the following: (1) the transfer of control of CUPA from Nexus to American Water; (2) the transfer to Pennsylvania-American, by merger, of all assets of CUPA used or useful in the public service; (3) the right of Pennsylvania-American to begin to offer, render, furnish and supply water service to the public in portions of Stroud and Pocono Townships, Monroe County, Pennsylvania; (4) the right of Pennsylvania-American to begin to offer, render, furnish, and supply water service to the public in portions of Hanover Township, Northampton County, Pennsylvania; (5) the right of Pennsylvania-American to begin to offer, render, furnish, and supply water service to the public in portions of Lehman Township, Pike County, Pennsylvania; (6) the right of Pennsylvania-American to begin to offer, render, furnish, and supply wastewater service in portions of Stroud and Pocono Townships, Monroe County, Pennsylvania; (7) the right of Pennsylvania-American

to begin to offer, render, furnish, and supply wastewater service in portions of West Bradford Township, Chester County, Pennsylvania; (8) the right of Pennsylvania-American to offer, render, furnish, and supply wastewater service in portions of Lehman Township, Pike County, Pennsylvania; and (9) the abandonment by CUPA of all water and wastewater service to the public. In addition, the Joint Applicants request that the Commission approve certain agreements as affiliated interest agreements, and the Joint Applicants request that the Commission grant all other approvals necessary, including affiliated interest approvals pursuant to Section 2102 of the Code, 66 Pa. C.S. § 2102, for the transactions described herein.

The Joint Applicants further request, pursuant to Code Section 507, 66 Pa. C.S. § 507, the issuance of Certificates of Filing or approvals for the following agreements between PAWC and a municipal corporation: a. Water Services agreement dated January 16, 2007, the transfer of the assets of CUPA to Pennsylvania-American is referred to herein as the “Merger.” The Merger, together with the transfer of control of CUPA from Nexus to American Water, are collectively referred to herein as the “Transactions.” Utilities, Inc. – Westgate and the City of Bethlehem; and b. Addendum to Water Service Agreement dated June 6, 2017, by and between Utilities, Inc. - Westgate and the City of Bethlehem.

1. The OSBA is an agency of the Commonwealth of Pennsylvania authorized by the Small Business Advocate Act (Act 181 of 1988, 73 P.S. §§ 399.41 - 399.50) to represent the interests of small business consumers as a party in proceedings before the Commission.

2. Representing the OSBA in this proceeding is:

Rebecca Lyttle, Esq.
Assistant Small Business Advocate

Harrisburg, Pennsylvania 17101

3. American Water owns 100% of the stock of Pennsylvania-American. American Water is the largest and most geographically diverse investor-owned water and wastewater utility company in the United States, serving 3.5 million customer connections in fourteen states, including Pennsylvania.

4. Pennsylvania-American is a regulated public utility corporation (Public Utility Code number 212285 (Water) and 230073 (Wastewater) organized and existing under the laws of the Commonwealth of Pennsylvania, and is engaged in the business of collecting, treating, storing, supplying, distributing, and selling water to the public, and collecting, treating, transporting, and disposing of wastewater for the public.

5. Nexus is a holding company with its principal place of business in Chicago, Illinois that owns U.S. water and wastewater utility companies. Nexus is the direct corporate parent of CUPA. Nexus is a wholly owned indirect subsidiary of Nexus Water Group, Inc., which is headquartered in Sugar Land, Texas and was created by the merging of Corix Infrastructure (US), 6 Inc. and Southwest Water Merger Acquisition Corporation.

6. CUPA is an investor-owned certificated Pennsylvania public utility (Public Utility Code number 2118089 (Water) and 2318090 (Wastewater) and is regulated by the Commission. CUPA provides water service to approximately 3,212 water customers (3,164 residential, and 48 commercial) in three service territories in Pennsylvania, formerly known as Penn Estates Utilities, Inc. ("Penn Estates"), Utilities, Inc. -Westgate ("Westgate"), and Pennsylvania Utility Company ("Tamiment"). CUPA provides wastewater service to approximately 3,846 sewer

customers to three service territories in Pennsylvania, formerly known as Penns Estates, Utilities Inc. of Pennsylvania (collectively “Consolidated Service”), Broad Run, and Tamiment.

7. On May 19, 2025, American Water and Nexus entered into a Purchase and Sale Agreement (the “Stock Purchase Agreement”) for the purchase of all the issued and outstanding equity interests in specified entities that own regulated water and wastewater systems located in various states, including CUPA in Pennsylvania.

8. Upon American Water’s acquisition of 100% of the equity interests in CUPA, American Water proposes to immediately merge CUPA with and into Pennsylvania American.

9. Through American Water’s purchase from Nexus of all the issued and outstanding equity interests in CUPA and the subsequent Merger, CUPA will be merged with and into Pennsylvania-American with Pennsylvania-American as the surviving corporation.

10. The Public Utility Code, 66 Pa. C.S. § 1102(a), permits a public utility to undertake certain actions only upon Commission approval evidenced by a certificate of public convenience. Among the activities that require Commission approval is the following:

(3) For any public utility or an affiliated interest of a public utility . . . to acquire from, or to transfer to, any person or corporation . . . by any method or device whatsoever, including the sale or transfer of stock and including a consolidation, merger, sale or lease, the title to, or the possession or use of, any tangible or intangible property used or useful in the public service.

66 Pa. C.S. § 1102(a)(3).

11. When a certificate of public convenience is required under Section 1102, Section 1103(a) of the Public Utility Code, 66 Pa. C.S. § 1103(a), allows the Commission to issue the certificate only upon a finding or determination that the granting of such certificate is “necessary or proper for the service, accommodation, convenience, or safety of the public.” According to

the Pennsylvania Supreme Court, satisfying this standard requires the Commission to find that a proposed acquisition would “affirmatively promote the ‘service, accommodation, convenience, or safety of the public’ in some substantial way.” *City of York v. Pennsylvania Public Utility Commission*, 449 Pa. 136, 141, 295 A.2d 825, 828 (Pa. 1972). In addition, Section 1103(a) allows the Commission to impose upon its issuance of a certificate of public convenience “such conditions as it may deem to be just and reasonable”.

12. The Joint Application raises issues of concern that may require the Commission to reject the proposed transaction or to approve it only after imposing conditions. Of particular concern is whether the transaction would unreasonably increase water rates of CUPA’s small business customers.

13. The OSBA reserves the right to raise additional issues as they arise throughout this proceeding.

WHEREFORE, the OSBA respectfully requests that the Commission reject the Joint Application as filed.

In the alternative, the OSBA respectfully requests that the Commission conduct a full investigation, including evidentiary hearings, into the Joint Application.

Respectfully submitted,

/s/ Rebecca Lyttle
