**Re: Application of PECO Energy Company Filed Pursuant to 52 Pa. Code §§ 57.71 et seq. for Approval of the Siting and Construction of the Brandon Shores Retirement Mitigation Project Located in Peach Bottom Township, York County, Pennsylvania and Petition for Waiver of 52 Pa. Code § 57.72(c)(10)
Docket Nos. A-2024-3051467 & P-2025-3053944**

Dear Secretary Homsher:

On April 4, 2025, PECO filed Responses to the Data Requests of the Bureau of Technical Utility Services, Question Nos. A-1 to A-5. Question No. A-1 asked PECO to explain whether Brandon Shores Unit 1 and Unit 2 (collectively, “Brandon Shores”) were still expected to retire. In light of recently available information regarding Brandon Shores, PECO submits this letter to provide additional information to assist the Commission.

On May 1, 2025, the Federal Energy Regulatory Commission (“FERC”) issued an order approving a contested settlement (“Settlement”) to resolve issues related to Talen Energy Corporation’s (“Talen’s”) Continuing Operations Rate Schedule filed with FERC in Docket No. ER24-1790.¹ The Settlement provides for fixed-cost charges effective June 1, 2025, for a term ending May 31, 2029, five months longer than Talen’s initially proposed deactivation date for Brandon Shores of December 31, 2028. The Settlement also provides the possibility of an extension.

PECO will continue to adhere to its construction schedule as described in its application and does not intend to make any changes as a result of the May 31, 2029 deactivation date. PECO will also continue to monitor for any updates to Brandon Shores to assess potential impacts to the Brandon Shores Retirement Mitigation Project.

¹ *Brandon Shores LLC*, 191 FERC ¶ 61,098 (2025) (reh’g pending).
