Re: Jackie Vlachus
v.
Commonwealth Telephone Company
Docket No. C-2025-3054515

Dear Ms. Vlachus:

On April 7, 2025, the Commission received your Formal Complaint that was filed in the above-referenced matter. In your Formal Complaint, you named "Frontier" as the utility respondent. Due to an administrative error, on April 10, 2025, the Commission served your complaint naming Frontier to Verizon.

This error was recently brought to my attention. By way of this Secretarial Letter, the Commission is correcting the service error and is hereby (1) serving your Formal Complaint on the proper utility, and (2) removing Verizon as a party to this matter.

Because this was an administrative error, Respondent will have 20 days from the date of this letter, or until July 17, 2025, to file a response, if any, to Complainant's Formal Complaint.

I apologize for any confusion and inconvenience this may have caused.

Sincerely,

A handwritten signature in black ink that reads "Matthew L. Homsher". The signature is written in a cursive, flowing style.

Matthew L. Homsher
Secretary
