**RE: Philadelphia Gas Works
Distribution System Improvement Charge
Effective July 1, 2025
M-2025-3055837**

Dear Ms. O'Dell:

The Bureau of Audits has reviewed Philadelphia Gas Works' quarterly Distribution System Improvement Charge (DSIC) filing submitted on June 18, 2025. In the filing, the company is not proposing to revise its currently effective DSIC rate of 7.50%.

Based upon staff review, it appears that the DSIC rate for the three-month period of July 1, 2025 through September 30, 2025 is consistent with the tariff and, accordingly, is permitted to become effective as filed.

The DSIC is subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Pursuant to the Commission's regulations at 52 Pa. Code § 5.44 (relating to petitions for reconsideration from actions of the staff), you may appeal by filing a petition for reconsideration with the Commission within 20 days of the date of this letter. Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2025-3055837.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'.
