ORDER DENYING APPLICATION FOR ISSUANCE OF SUBPOENA

On February 13, 2025, Nieves Abad (“Complainant”) filed an Application for Subpoena (“Application”), pursuant to Section 5.421(a)(2) of the Commission’s regulations, 52 Pa. Code § 5.421(a)(2). In his Application, Complainant seeks to require PPL employees and alleged PPL contractors to produce certain information.

On February 14, 2025, as a separate document, Complainant filed a Certificate of Service for the Application.

On February 24, 2025, PPL filed Objections to the Application.

The Application will be denied for two reasons.

First, the Commission’s regulations require that an application for subpoena be served upon the person or individual for whom the subpoena is sought when the person is not a party to the case. When the person or individual for whom a subpoena is sought is not a party to the case, the application must identify the persons--names and addresses--including the Secretary and presiding officer, to whom the answer or objection shall be sent. 52 Pa. Code § 5.421(c)(5). It does not appear that the Application was served upon the contractors for whom the subpoena is sought. The alleged PPL contractors are not parties to the case. The certificate of service shows that the Application was served only to PPL.
