PARTIES OF RECORD

Application of Allegheny Valley Railroad Company for approval of the suspension of seven (7) public highway-rail crossings of the tracks of its Brilliant Line located in the City of Pittsburgh and the Borough of Aspinwall, Allegheny County.

To Whom It May Concern:

By letter efiled with the Commission on June 10, 2025, Allegheny Valley Railroad Company averred that it has completed the conveyance of its rights, title and interest (if any) in the Brilliant Line to the Redevelopment Authority of Allegheny County.

Following a careful review of the record in this proceeding, I find that all outstanding matters have been satisfied by the parties as directed by our Secretarial Letter dated February 5, 2024. It is my opinion that because there were no physical alterations made to any of the crossings involved in this proceeding a final inspection of work is not necessary

Since all outstanding matters have been satisfied by the parties it is my intention to close the record in this proceeding provided that no party objects or is seeking reimbursement for any costs incurred. If you are aware of any unresolved issues or have incurred costs in this regard and you desire further action to resolve those issues, please respond in writing to this Commission before July 26, 2025.

If no reply is received from your office by the above stated date, the Commission will move to close the record in this proceeding.

All parties of record are being served via email.

Very truly yours,
