Re: Gregory and Donna Kollmar v. West Penn Power Company
Docket No. C-2019-3014650

Dear Secretary Homsher:

In accordance with the settlement discussions during the evidentiary hearing held on May 12, 2025 in the above-referenced matter, this letter serves as a status report on behalf of FirstEnergy Pennsylvania Electric Company on behalf of its West Penn Rate District (“Company”).¹ The Company conducted a site visit at the Kollmars’ premise and provided them with a possible meter relocation option and an estimate of costs associated with the relocation. Mr. Kollmar indicated that he is not able to proceed with the relocation.

Based upon this information, the Company believes the above-referenced proceeding should proceed to an evidentiary hearing. Therefore, the Company suggests a one-day telephonic evidentiary hearing be held in July or August 2025.

Copies are being provided in accordance with the Certificate of Service. Should you have any questions or concerns regarding this information, please feel free to contact me.

Very truly yours,

James Austin Meehan

BEFORE THE

¹ On January 1, 2024, FirstEnergy Corp.'s Pennsylvania operating companies (i.e., Metropolitan Edison Company, Pennsylvania Electric Company, Pennsylvania Power Company, and West Penn Power Company) merged into FirstEnergy Pennsylvania Electric Company (“FE PA”). Due to the merger transaction, FE PA became successor in interest to all matters previously belonging to the individual Pennsylvania operating companies. As such, the customers of the former West Penn Power Company have their own separate and distinct rate district under FirstEnergy Pennsylvania Electric Company’s tariff.
