RE: **UPDATE** Application of Metro Fibernet, LLC for Approval of Authority to Offer, Render, Furnish, or Supply Telecommunications Services to the Public in the Commonwealth of Pennsylvania – Docket No. A-2025-3054726

---

Dear Secretary Chiavetta:

On April 9, 2025, an Application for Approval of Authority to Offer, Render, Furnish, or Supply Telecommunications Services to the Public in the Commonwealth of Pennsylvania as a Competitive Access Provider (“CAP”) was filed on behalf of Metro Fibernet, LLC (“Metronet”). Pursuant to Secretarial Letter dated April 24, 2025, Metronet was granted provisional authority to provide CAP services to the public in the Commonwealth of Pennsylvania pending final adjudication of the application.

**The purpose of this letter is to inform the Commission about the pendency of a pending Transfer of Control Application pending before the Federal Communications Commission (“FCC”) in Docket No. WC 24-244.** As explained in the FCC application, if approved, control of the ultimate parent of Metronet – Metronet Holdings, LLC – will be a joint venture 50/50 controlled and co-managed by T-Mobile USA, Inc. and, indirectly, by KKR Metro Parent LLC. While the Application is still pending at the FCC at this time, it may be adjudicated prior to final Commission action on Metronet’s pending CAP application.

If any additional information about the pending transaction is required, please do not hesitate to contact me.

Sincerely,

Deanne M. O'Dell
