**Docket No. M-2025-3052807**  
**Utility Codes: 2220554 (Water), 2320555 (Wastewater), and 2423775 (Stormwater)**

Dear Secretary Chiavetta:

Pursuant to 52 Pa. Code § 73.3(b)(2), the Pittsburgh Water and Sewer Authority (“Pittsburgh Water”) hereby provides written notification that it will be submitting both its Annual Depreciation Report and its Service Life Study on or before August 31, 2025.

This filing is being made during a designated Life Service Study year, as required every five years. While the Annual Depreciation Report is typically due on or before June 30, 2025, the applicable regulation permits a coordinated submission of both the report and the study on or before the 31<sup>st</sup> day of August, in such years.

Please do not hesitate to contact me should you require any further information.

Respectfully Submitted,

*/s/ Monica Walaan*
