Docket No. A-2024-3048125

Dear Secretary Homsher:

Pennsylvania American Water Company (“Pennsylvania-American”) requests an extension of time to complete the work authorized as part of the Application filed on April 2, 2024 and approved by Secretarial Letter on June 17, 2024 at the above-captioned docket number. This request is for an additional 12 months to allow completion of this project on or before June 30, 2026. PAWC is requesting this extension due to its inability to secure necessary flagmen from Norfolk Southern’s second party, RailPros, Inc to complete this bore. Once these flagman are secured, work can be completed.

Should you have any questions, please feel free to contact David Drozd at (814) 938-4721.

Sincerely,

Elizabeth Rose Triscari
