RE: Continuous Bond
Your Choice Energy, LLC
A-2009-2129027

Dear Mr. Balsis:

Please find under cover of this letter the financial instrument filed with the Commission on behalf of Your Choice Energy, LLC because it is not acceptable.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

In all locations where the name of the Principal appears, please note that this must match exactly with the license issued by the Commission. Kindly ensure that the capitalization of the principal company's name is correct.

The enclosed financial instrument has a future signed, sealed date. The bond must have the actual date it is signed and sealed by the Surety Company in order to be considered valid.

Please file the corrected, originally signed and sealed security instrument with my office within 20 days of the date of this letter, preferably by overnight delivery

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'. The signature is written in a cursive, flowing style.

Matthew L. Homsher
Secretary
