RE: Docket No. C-2025-3055581
Kurt Wood v. First Energy
Answer to new Matter

Secretary Homsher:

In Attorney Morris's letter, it was indicated that a response to the new matter was required within 20 days, and this is the response requested.

I have no intention to waste anyone's time or resources. Mediation is perfectly fine for me as I am just looking to get a fair deal in the aftermath of my ex-wife's dealings with FirstEnergy and the PUC.

Sincerely,

Kurt E Wood
