Re: Pennsylvania Public Utility Commission

v.

Pittsburgh Water and Sewer Authority
d/b/a Pittsburgh Water
Docket Nos. R-2025-3055010 (Water)
R-2025-3055011 (Wastewater)
R-2025-3055012 (Stormwater)

Pennsylvania Public Utility Commission

v.

Pittsburgh Water's Petition for Authorization
To Increase DSIC Water and Wastewater
Docket Nos. P-2025-3055650 (Water)
P-2025-3055652 (Wastewater)

Dear Secretary Homsher:

On June 26, 2025, Pittsburgh Water and Sewer Authority d/b/a Pittsburgh Water (Pittsburgh Water or Authority) filed its Petition to Consolidate DSIC Increase Petition and Base Rate Case Filings for Water, Wastewater and Stormwater (DSIC Consolidation Petition). Concurrent with the above-referenced base rate proceedings, the Authority also previously filed on June 4, 2025, a Petition for Authorization to Increase the DSIC Water and Wastewater (DSIC Petition) and a Petition for Consolidation of the rate proceedings. As Pittsburgh Water states in its DSIC Consolidation Petition, all of Pittsburgh Water's stated factual support and financial analysis for its DSIC Petition has been included in the rate proceeding filings. DSIC Consolidation Petition at 1. On June 24, 2025, the Office of Consumer Advocate (OCA) filed its Answer in

opposition to the DSIC Petition and a letter not opposing the proposed consolidation of the rate proceedings.

For the reasons set forth in its Answer to the Petition for Authorization to Increase DSIC Water and Wastewater, the Office of Consumer Advocates submits that the DSIC Petition should be denied. However, if the Commission determines to not deny the Petition at this time, the OCA does not oppose consolidation of the DSIC Petition with the above-referenced base rate filings.

Respectfully submitted,

/s/ Christy M. Appleby
