RE: Continuous Bond  
Andrew Bakey  
A-2022-3034280

Dear Mr. Bakey:

Please find under cover of this letter the financial instrument filed with the Commission on behalf of Andrew Bakey because it is not acceptable.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

- 1. The enclosed financial instrument does not have a "wet ink" original signature for the principal company.**
- 2. In all locations where the name of the principal appears, please note that this must match exactly as in the registration papers from PA Corporation Bureau (Dept of State). The name must be written as **Bakey Enterprises LLC** (note the punctuation difference- there should be no comma)**

Please file the corrected, originally signed and sealed security instrument with my office within 10 days of the date of this letter, preferably by overnight delivery

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'. The signature is written in a cursive style with a large initial 'M'.

Matthew L. Homsher  
Secretary
