Re: Electric Shutoff

Mr. Gabrys,

You contacted Legal Aid with regard to an electric shutoff. Thereafter, you have provided our office with hearing notices from the Public Utility Commission. You presumably notified the PUC that Legal Aid is representing you in this matter. However, you never completed an application for our services. We have tried to contact you on several occasions by telephone and email. We cannot represent you until you have completed an application, be determined eligible for our services and whether your issue fits within the types of matters we perform.

In order to perform the above, please contact me at (484)416-4290.

Sincerely,

Michael H. Kaliner
