Susan:

I have attached the RSTI and the CLEC reports please see page 3 on the CLEC verses the RSTI. \$5,885.76 vs \$0.00. Please determine which is right and send it to me ASAP.

I called Erin Greene on 06/26/08, 08/01/08, 08/21/08, 09/30/08 but never got resolution. I'm going to have to send it to legal if I don't hear from somebody I'd really rather it just get resolved instead of going that route because it will all come back to me anyway.

Thanks
Jeannine

ALL PARTIES OF RECORD:

The regulations of the Pennsylvania Public Utility Commission, Title 52 of the Pennsylvania Code, require public utilities to file Annual Reports with the Commission for each calendar year. These Annual Reports are required to be filed by April 30th of the following year. On July 11, 2008 the Commission sent a letter to your utility a letter informing you of this requirement. Commission records indicate that your company has not yet complied by filing the required Annual Report. **Failure to comply with the Commission's regulations has made the utility subject to penalties specified in the Public Utility Code (Pa. C.S.A. Title 66).** The penalties for non-compliance include fines and other actions against the rates charged by the utility. This matter has been referred to the Commission's Law Bureau for consideration of such steps.

The utility must file the appropriate Annual Report with the Commission as soon as possible. If you need assistance in filing your report, please contact Jeannine Snyder, of the Finance/Tariff Section of the Bureau of Fixed Utility Services. You can telephone Ms. Snyder at 717-787-9084.

TO DELINQUENT COMPETITIVE LOCAL EXCHANGE CARRIERS:

Title 52 of the Pennsylvania Code requires public utilities to file Annual Reports with the Commission for each calendar year. These Annual Reports are required to be filed by April 30th of the following year.

Commission records indicate that your company has not complied with these regulations. We, therefore, request that you do so by filing your 2007 Annual Report **within 30 days of the date of this letter**. Failure to comply with the Commission regulations has made the utility subject to penalties specified in the Public Utility Code (Pa. C.S.A. Title 66).

You may download a blank copy of an Annual Report directly from our website at www.puc.state.pa.us. On the left side of our home page, under the grouping "General Navigation", click on the link "Online Forms." On the next page, click on the link that pertains to your specific utility type, i.e., Natural Gas Forms, Telecommunication Forms, and/or Water Forms. The next page will show a listing of all the forms relating to your specific utility type. Click on the appropriate Annual Report form, which should be posted as an Excel document. When you open the Annual Report, you must first save the form to your computer. Do not use any forms from previous years as the 2007 Annual Report forms have been changed.

Once the Annual Report has been completed, send a copy of the completed Annual Report, along with a completed verification page, to Secretary McNulty. Also, e-mail a copy of the report to Rich Layton rlayton@state.pa.us. On the subject line of your e-mail to Mr. Layton, please state the name of your company, failure to do so may result in the deletion of your e-mail.
