To whom this may concern,

In the past years, Bearded Trucking Co has been hired by different companies to pick up and deliver concrete barriers for the PA Turnpike. And also hired to pick up and deliver stone and sand bags to well sites within PA. With starting our authority back up, not only will we be running interstate, but we will be doing similar PA work again. Please let me know if I am in need of anything else.  
Thank You!

Sincerely,

Brandon Leydig
