RE: Continuous Bond  
Spartacus Energy Services, LLC  
A-2021-3029728

Dear Sir/ Madam:

Please find under cover of this letter the financial instrument filed with the Commission on behalf of Spartacus Energy Services, LLC because it is not acceptable.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

**In all locations where the name of the Principal appears, please note that this must match exactly with the license issued by the Commission. Please ensure the punctuation is correct - the principal company name is missing a comma after services.**

Please file the corrected, originally signed and sealed security instrument with my office within 20 days of the date of this letter, preferably by overnight delivery

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'. The signature is written in a cursive style with a large, looped 'M' and a trailing flourish.

Matthew L. Homsher  
Secretary
