RE: Letter of Credit
Great American Gas & Electric, LLC
A-2025-3055835

Dear Sir/Madam:

Please find under cover of this letter the financial instrument filed with the Commission on behalf of Great American Gas & Electric, LLC because it is not acceptable.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

In all locations where the name of the principal appears, please note that this must match exactly as in the registration papers from PA Corporation Bureau (Dept of State). The name must be written as **Great American Gas & Electric, LLC (notice the capitalization and punctuation difference)**

Please file the corrected, originally signed and sealed security instrument with my office within 20 days of the date of this letter, preferably by overnight delivery

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'. The signature is written in a cursive style with a large initial 'M'.

Matthew L. Homsher
Secretary
